Powertrain

- Naturally aspirated 306PS (440Nm Torque) V8 petrol engine
- Twin turbocharged 271PS (640 Nm Torque) V8 diesel engine
- Fully electronic 6-speed automatic transmission with CommandShift™

Vehicle Control Systems

- Permanent 4-wheel drive with electronic centre differential
- High and low range gear ratios
- Terrain Response™,
- Four-channel ABS, Hill Descent Control, Electronic Traction Control, Dynamic Stability Control and Electronic Brakeforce Distribution
- Brembo front disc brakes on TDV8 derivatives
- Fully-independent cross-linked electronic Air suspension with variable ride height
- Centre electronic 'e' differential
- Electric park brake

Exterior features

- 19" 7 Spoke alloy wheels
- Bi-Xenon headlamps
- Power fold door mirrors with approach lamps
- Front and rear park aid with rear camera
- Rain sensor and auto lights
- Heated windscreen

Information and entertainment

- 7" touch-screen with 4x4 information
- 11-speaker harman/kardon® sound system with Digital Sound Processing
- 6-disc CD autochanger with MP3 capability
- Personal Telephone Integration (PTI) system
- Auxiliary audio input jack plug

Interior

- Blenheim leather seat facings
- Real wood veneers
- Memory for driver's seat, steering wheel and exterior door mirror settings
- Leather steering wheel, gear knob
- Electrically adjustable steering column (reach and rake)
- Multi-function steering wheel controls
- Cruise control
- Dual blade sunvisors
- Message centre and trip computer with selectable speed limit warning
- Full climate control with individual settings for driver, front passenger

and rear passengers

- Automatic control of air distribution and demisting with air quality sensors for automatic air recirculation
- Park heating with remote control on TDV8
- Heated front seats
- Twin gloveboxes (included in central locking system)
- Two front cup holders
- Asymmetric split rear seat with centre armrest and 2 cup holders
- Double-hinged, removable load space cover
- Programmable main interior lamp
- "Waterfall" front and rear interior illumination
- Load space and glovebox illumination
- Rear boot mounted accessory socket

Safety & security

- Driver and front passenger front, side and head airbags
- Driver's knee airbag
- Front passenger knee bolster
- Rear outboard passenger head airbags
- ABS brakes with Electronic Brakeforce Distribution and Emergency Brake Assist
- Remote central locking, and superlocking
- Front seatbelt reel mounted pretensioners with load limiters
- Side-intrusion beams
- Centre high-mounted stop
- Perimetric and volumetric alarm with immobiliser

The Range Rover Supercharged is the most powerful Range Rover. With distinctive design cues, including 20 inch chrome alloy wheels, an exclusive grille and unique power vents, it is the quietest, the most powerful and the most refined expression of all The Range Rover models. For the connoisseur it is unbeatable. The superbly refined Supercharged 4.2 litre 390bhp V8 engine is accompanied by Brembo front disc brakes, Terrain Response™ and electronic centre and rear differentials.
