

For those who relish the drive, the HSE offers even greater levels of refinement and comfort with Park Distance Control for the front and rear and, for the naturally aspirated V8, Adaptive Cruise Control with Forward Alert. A highly responsive memory function enables the HSE to remember the driver's front seat and exterior mirror preferences and make the necessary adjustments if required.

Powertrain

- Available with a naturally aspirated 4.4 litre V8 299ps/220Kw or a diesel 2.7 litre V6 190ps/140Kw engine
- €6-speed adaptive automatic transmission with CommandShift™ and high/low range

Engineering

- Permanent four wheel drive
- Hill Descent Control (HDC)
- Four wheel Electronic Traction Control (ETC), Dynamic Stability Control (DSC), 4 Channel all terrain ABS
- Power assisted speed-proportional variable ratio steering
- Monotube dampers
- Electronic Air suspension with Terrain Response™

Exterior features

- Park Distance Control (PDC) – front and rear
- Powerfold exterior mirrors
- Bi-xenon headlights with corner lamps
- Tailgate-mounted rear spoiler
- Perforated grille and side vents
- 19 inch, 9.5 spoke alloy wheels fitted as standard

Information and entertainment

- harman/kardon® audio with eight speakers, passive sub-woofer, audio amplifier, voice control, in dash six CD changer, remote ICE controls
- Premium Navigation with TMC and off-road navigation
- Trip computer (functions include: functions distance to empty, average fuel consumption, range, trip)

Interior

- Automatic climate control
- Premium leather seats
- Leather covered steering wheel and gear knob
- Puddle and footwell lamps
- Cruise control
- Adaptive cruise control with forward alert [Petrol V8 only]
- Loadspace cover – roller blind
- Illuminated vanity mirrors
- Eight way (driver) and 6 way (passenger) electric front seats with manual lumbar support
- Split rear seat (65:35) including rear armrest
- Cold Climate Pack: Heated front screen, heated washer jets, heated front and rear seats
- Memory Pack: Memorises driver's front seat and exterior mirrors preferences

Safety & security

- Driver and front passenger front, head and side airbags
- Rear outboard passenger head airbags
- 4 Channel all terrain ABS with all round ventilated disc brakes, electronic park brake and electronic brake assist (EBA)
- Perimetric alarm system with passive engine immobilisation, volumetric alarm and ultrasonic alarm
- Centrally mounted high stop lamp, mounted in rear spoiler
- Active roll mitigation
- Clear View Pack: Front fog lamps, headlamp power wash, automatic headlamps, rain sensor, electro chromatic rear view mirrors

Utilising a Supercharged 4.2 litre V8 390ps/287Kw engine, Range Rover Sport Supercharged is the best specified and most refined Range Rover Sport. It delivers a powerful drive, enhanced by Brembo front disc brakes and Adaptive Cruise control. Its super interior offers all the refinement and advanced features of the HSE plus a Personal Telephone Integration system. Distinctive design cues include a unique mesh-design front grille and power vents, and 20 inch, 10 spoke alloy wheels.

Powertrain

- € Supercharged 4.2 litre V8 390ps/287Kw petrol engine
- € 6-speed adaptive automatic transmission with CommandShift™ and high/low range with positive Torque

Engineering

- € Permanent four wheel drive
- € Hill Descent Control
- € Four wheel Electronic Traction Control (ETC), Dynamic Stability Control (DSC), 4 Channel all terrain ABS
- € Brembo front brakes
- € Power assisted speed-proportional variable ratio steering
- € Monotube dampers
- € Electronic Air suspension with Terrain Response™
- € Dynamic Response

Information and entertainment

- € harman/kardon® LOGIC7 system, 13 speakers, active sub-woofer, rear seat headphone modules, voice control, in dash six CD changer, remote ICE controls
- € Premium Navigation with TMC and off-road navigation
- € Trip computer (functions include: functions distance to empty, average fuel consumption, range, trip)
- € Personal Telephone Integration System

Exterior features

- € Park Distance Control (PDC) – front and rear
- € Powerfold exterior mirrors
- € Bi-xenon Adaptive headlights with corner lamps
- € Tailgate-mounted rear spoiler
- € Exclusive perforated grille with Titan finish bars
- € Exclusive perforated side vents with Titan finish
- € Twin tailpipe finishers
- € 20 inch alloy wheels fitted as standard

Interior features

- € Automatic climate control
- € Perforated leather seats
- € Leather covered steering wheel and gear knob
- € Puddle and footwell lamps
- € Cruise control
- € Adaptive cruise control with forward alert
- € Loadspace cover – roller blind
- € Illuminated vanity mirrors
- € Eight way (driver) and 6 way (passenger) electric front seats with

manual lumbar support

- € Split rear seat (65:35) including rear armrest
- € Cold Climate Pack: Heated front screen, heated washer jets, heated front and rear seats
- € Memory Pack: Memorises driver's front seat and exterior mirrors preferences
- € Lower centre console cooler box

Safety & security

- € Driver and front passenger front, head and side airbags
- € Rear outboard passenger head airbags
- € 4 Channel all terrain ABS with all round ventilated disc brakes, electronic park brake and electronic brake assist (EBA)
- € Brembo front brakes
- € Perimetric alarm system with passive engine immobilisation, volumetric alarm and ultrasonic alarm
- € Centrally mounted high stop lamp, mounted in rear spoiler
- € Active roll mitigation
- € Clear View Pack: Front fog lamps, headlamp power wash, automatic headlamps, rain sensor, electro chromatic rear view mirror
